

2022-2023 FEE SCHEDULE AND POLICY – NEW SEED STUDENTS

I. Course Fee

SLT & OT, and SEL (Social- Emotional Learning) Group Sessions are essential components of the integrated and holistic educational model designed for SEED students. The sessions are compulsory and make up the core of the SEED program specially designed for SEED student profiles. There are no options to opt-out of the sessions in whole or in part. This approach provides an excellent integrated and trans-disciplinary approach to support every Winstedt Student. It also provides certainty for the total investment in your child's education throughout the academic year.

The course fee also includes local field trips, internally conducted Extra-Curricular Activities (ECAs), Parent League membership, Yearbook, daily fresh fruit throughout the day, Fee Protection Insurance¹ (FPS), medical insurance, and GST.

II. Sibling Discount

A 25% discount in annual course fee is provided to the sibling of a Winstedt student (with terms and conditions*).

*This means that one student is billed for the full course fee and the sibling receives the 25% discount. The 25% discount will be applied to the student with the lower course fee. The discount does not apply to the Enrolment Fee or Capital Levy if the sibling is a new student. The 25% discount is not provided in addition to financial aid, Curie-Einstein scholarship, or any special course fee promotion for the sibling.

III. Instalment Options

The Winstedt School offers three instalment options. Course fee can be paid: 1. Annually, 2. Semesterly, or 3. Termly. Parents will indicate their installment option preference when signing the Placement Letter.

¹ The Fee Protection Scheme (FPS) serves to protect students' fee if Winstedt is unable to continue operating due to insolvency, and/or regulatory closure. The Winstedt School has adopted LONPAC Insurance BHD as our insurance company and our students are protected under the insurance scheme.
